### Beyond Boulderling Dog Policy

Before leaving a dog unattended in one of our Beyond Boulderling gyms, the owner must agree with our Dog Policy.

Beyond Boulderling staff reserve the right to ask you to remove your dog from our facility if we deem the dog to be interfering with service or breaching any of the points outlined below.

1. Dogs must be on a lead at all times when in Beyond Boulderling.
2. If the dog is barking or being disruptive, the owner must remove the dog from the facility.
3. The owner agrees to remove the dog immediately if they toilet or vomit inside the gym.
4. The owner accepts responsibility for cleaning up after their dog - this includes but is not limited to all hair, pee, poo and vomit.
5. The owner is liable for any damage to the gym inflicted by the dog, for example, chewing on furniture or mats.
6. The owner agrees to remove the dog from the facility if it is being destructive towards the property.
7. The owner agrees to remove the dog immediately from the facility if it shows any sign of aggression towards another dog or person.
8. The owner agrees to remove the dog from the facility if there is a public complaint or concern about the dog (this includes concern out of fear or allergies).
9. The owner agrees to keep the dog secured in the designated dog area only. The only exception to this rule is if the dog is a registered support animal and the official proof is shown to staff.

By signing this document, you agree to the policy points listed above and take full responsibility and liability for the dog and its actions while at Beyond Boulderling.
